

Are You Breeding Your Broodbitch?

This study may be for you!

We are looking for broodbitches to evaluate how **physical activity** affects **pregnancy and whelping** outcomes.

Follow your dog's physical activity during pregnancy with a collar-mounted smart device without changing your routine!

Is Your Dog Eligible?

- 10 lbs or more
- Can wear a collar at home 24/7
- No neck chewing during play
- Natural whelping or C-section qualifies

Study Requirements

- Activity tracking with provided FitBark2 device throughout pregnancy
- Weekly activity journal
- Detailed whelping monitoring
- (Optional) 2 blood draws during pregnancy

Participant Benefits

- **Monitor your dog's daily fitness through pregnancy**
 - FitBark2 device provided by study
 - No changes to your routine needed
 - User friendly and fun!
